DID YOU KNOW?

CARY-KILDAIRE ROTARY SUPPORTS...

HUMANITARIAN PROJECTS

Internationally

Our Fundraising dollars impact the global fight against polio, providing clean drinking water/sanitation to schools in India and Lebanon, purchasing equipment for schools/hospitals, an ultrasound scanner and dialysis units for a kidney hospital in India, a braille printer for a school for the blind in Nepal, and an audiometer for a school for hearing and visually impaired children in India.

Domestically

We currently support the NC Boys and Girls Home in Lake Waccamaw, The Dementia Alliance of North Carolina, Note in the Pocket, The Food Bank of NC, MiracleLeague and several other worthy local non-profit organizations working to help those in need.

James Atkins Memorial Scholarship and Humanitarian Fund

James Atkins was a charter member of the Cary-Kildaire Rotary Club. Most notable was James' leadership while serving on the Wake County Board of Education during the late 70's.
